

e-Pipeline ~ Summer 2017

From the Dean...

I hope everyone is enjoying a summer filled with rest and relaxation and that you are being rejuvenated and refreshed by the conferences and workshops being offered all around the country if you're able to attend. We are all shocked by the sudden death of Matt McCue who has been a part of our chapter and of the church music life of Houston for many years. A link for more information can be found in the next section.

Lots more information is included below. Please take note of our major concerts for the upcoming year and join me in celebrating our new chapter officers as well as our new CAGO (Colleague).

For now, stay cool, and have a blessed rest of your summer.

-Dan
